Distance from Dwarka 3.5 KM

CONNECTIVITY

Situated on the arterial expressway of the western NCR and the fast rising suburban hub of Dwarka and Gurgaon West, 1000 Trees is flanked by high profile developments, yet in a tranquil location thanks to its unique space planning and orientation. Just about 8 kms from the Indira Gandhi International Airport, 5 kms to the heart of Gurgaon and the National highway 8, one can never be as connected and yet be removed from the humdrum of a modern metropolis.
